The rest of the workshop is tailored specifically for the LACSSP teachers who have been selected for this 3 year program.

~~~~~  
PARKING: Please allow yourself extra time to navigate traffic and street construction and the possible tailgate parties. There is a home USC football game that day at 5pm, so there will be tailgate parties, but hopefully not at 8am when you are trying to park. Parking is \$20 on campus. An alternative is to park at the Shrine auditorium (enter from 32<sup>nd</sup> street) that is nearby (to the north of campus) and should be \$7.

TAPER HALL: The nearest intersection (that you can drive to) is Jefferson Bl and University Ave (or Jefferson Bl and S Hoover St is nearby, too). Once you are on campus walking around, Taper Hall is between 34<sup>th</sup> St and 35<sup>th</sup> Pl on Trousdale Pkwy. See the searchable USC map here: <http://web-app.usc.edu/maps/>, enter Taper Hall and it will show you where it is on a map and if you click on the name it will show you a photo of the front of the building.

~~~~~  
K-12 teachers may get documentation for Professional Development hours upon request.

**Educators: Pre-register for the educators' session to receive content materials**
