

**Communicating Ocean & Marine Science**  
Hosted by COSEE-Ocean Learning Communities and Washington Sea Grant  
University of Washington, Seattle  
Husky Union Building - November 22, 2008

**SCIENTIST PRESENTERS**

***POSTERS***

<b>Sara Bender</b> sbender@u.washington.edu	UW Oceanography Graduate student	Diatoms
<b>Amanda Bruner</b> ambruner@u.washington.edu	UW Fisheries Graduate student	Endocrine disrupters in fish
<b>Amy Cash</b> amycash@u.washington.edu	UW Oceanography Graduate student	Microbes in Hood Canal
<b>Eric Collins</b> rec3141@ocean.washington.edu	UW Oceanography Graduate student	Microbial evolution in the Ocean
<b>Tom Connolly</b> tompc@u.washington.edu	UW Oceanography Graduate student	Dead zones on Pacific coast of WA
<b>Heather Galindo</b> hmgalindo@gmail.com	UW Fisheries Post-doc	Marine population connectivity
<b>Maureen Goff</b> maugoff@u.washington.edu	UW Fisheries Graduate student	Habitat enhancement: downtown seawall
<b>Eric Rehm</b> erehm@u.washington.edu	UW Oceanography Graduate student	Using light to estimate phytoplankton
<b>Alison Rogers</b> alison@ocean.washington.edu	UW Oceanography Graduate student	Ocean circulation
<b>Katie Shamberger</b> kfagan@u.washington.edu	UW Oceanography Graduate student	Ocean acidification and coral reefs

<b>Fritz Stahr</b> stahr@ocean.washington.edu	Manager UW Seaglider President O.I.P	Comparing data to model predictions for Puget Sound
<b>Kristi Strauss</b> kmstrauss@gmail.com	UW Fisheries Graduate student	Abalone restoration
<b>Elizabeth Tobin</b> etobin@u.washington.edu	UW Oceanography Graduate student	Germination of <i>Alexandrium</i> in Puget Sound
<b>Scott Veirs</b> scott@beamreach.org	BeamReach School President	Live underwater sound in orca habitat
<b>Shuang Zhang</b> shzhang@u.washington.edu	UW Oceanography Graduate student	Dissolved oxygen in Hood Canal

**TALKS**

<b>Tansy Clay</b> tansy@u.washington.edu	UW Oceanography Post-doc	Larval sand dollars
<b>Russell Herwig</b> herwig@u.washington.edu	UW Fisheries Professor	Invasive species
<b>Maureen Goff</b> maugoff@u.washington.edu	UW Fisheries Graduate student	Habitat enhancement
<b>Fritz Stahr</b> stahr@ocean.washington.edu	Manager; UW Seaglider President; Ocean Inquiry Project (OIP)	Seagliders
<b>Glenn VanBlaricom</b> glennvb@u.washington.edu	UW Fisheries Professor	Geoducks
